

# LIFE CENTER PROJECT

A message that will *stand* the test of time.

SINCE 1984, Shepherd's Gate has provided Christ-centered services and housing for over 10,000 battered and homeless women and children. Your honor or memorial inscribed brick will help provide much needed funding to complete the Life Center. This vital facility will contain a child-care center for up to 50 children, life and job skills classrooms, library, counseling rooms, as well as the added benefit of opening up bed space in the residence halls currently used as offices, which means we don't have to turn as many women and children away. The Life Center will provide the essential space needed to adequately support all the programs and services which are currently being conducted in cramped, high traffic areas of the campus.
