

Kids Can Help Too!

We are so thankful to our community and the important role children play in helping other children in need at Shepherd's Gate. Here are a few ideas that children can do to help:

- Make snack bags for the kid's lunch (pretzels, Chex mix, M&Ms, Welch's Fruit snacks, etc.)
- Food Drive of Cereal or Mac & Cheese
- Kid friendly hygiene bags (kid toothbrush, kid toothpaste, kid liquid soap, kid wash cloth)
- Host a lemon aid stand and financially support a child at Shepherd's Gate
- Host a diaper drive for our nursery
- Teenagers can volunteer in our after-school program to help with reading, math or computers
- Birthday Kit: (Cake mix, frosting, sprinkles, cake pan or cupcake liners, decorations, birthday card – place in a large gift bag)
- Fun t-shirt drive (collect new fun inspirational children's t-shirts XS-Large)
- Host a fun pizza party or ice cream social for our afterschool program
- Organize & host our annual graduation party in June
- Organize & host a fun sports day on our campus during the summer (soccer, exercise, etc.)
- Donate a backpack full of school supplies in August
- Donate a Christmas toy in December
