

Shepherd's Gate
Brentwood

SPONSORSHIP PROJECTS

PICNIC TABLES

In an effort to keep our women, children and staff safe, we have moved program activities outdoors. The picnic tables will be used for meetings, classes and family reunification.

DESKS

We are in need of desks in each room for children to complete distance learning and for our women to complete their program class work.

WINDOW CURTAINS

We are transitioning from window vanes to thermal curtains in resident bedrooms.
