INDEPENDENT AUDITOR’S REPORT

To the Board of Directors of Shepherd’s Gate

I have audited the accompanying financial statements of Shepherd’s Gate (a California nonprofit organization), which comprise the statement of financial position as of June 30, 2021, and the related statements of activities, cash flows, and schedule of functional expenses for the year then ended, and the related notes to the financial statements.

Management’s Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor’s Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity’s preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity’s internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Shepherd’s Gate as of June 30, 2021, and the changes in its net assets and its cash flows, and schedule of functional expenses for the year then ended in accordance with accounting principles generally accepted in the United States of America.

NOTE 1 – Nature of Organization

Not-for-profit activity

Shepherd’s Gate, Inc. is a not-for-profit religious California corporation founded in 1984. Shepherd’s Gate exists to meet the physical, spiritual and emotional needs of women and their children suffering from homelessness, addiction and domestic violence through the love of Jesus Christ, equipping them to lead lives of faith, hope and love and to reach out to others in His name.

Program services of Shepherd’s Gate consist of the following:

Services and support - Shepherd’s Gate provides housing, food, clothing and a complete continuum of support services for battered and homeless women and their children for up to 18 months. Shepherd’s Gate offers an individual program plan in which services may include immediate assessment of needs such as drug/alcohol recovery, counseling for domestic violence, reunification with children, structured childcare program, support with legal and medical issues, life training skills such as parenting classes and financial management, career training and job placement, and permanent housing placement. Current facilities allow for up to 88 women and children at one time.

New Life Store – Shepherd’s Gate operates a 5,000 square-foot thrift store and donation center called the New Life Store. Gift-in-kind donations of furniture, clothing and household goods are received for resale. Proceeds provide financial support for the programs and services provided by Shepherd’s Gate, as well as volunteer opportunities for program participants.

First Fruits – The First Fruits program provides resources to assist other groups and individuals who are involved in ministry programs that are aligned with Shepherd’s Gate’s mission. The ministry believes that it is called to follow Biblical stewardship principles to share their resources to serve the poor. Shepherd’s Gate contributes a portion of gift-in-kind donations (food, clothing, hygiene products, baby items, blankets, household items, etc.) and unrestricted monetary contributions to eligible recipients that serve those in need.

Income taxes and exempt status

Shepherd’s Gate is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. Shepherd’s Gate is also exempt from state franchise or income tax under Section 23701d. Accordingly, the accompanying financial statements of Shepherd’s Gate do not reflect any liability for income taxes. Contributions to Shepherd’s Gate are tax deductible within the limits of prescribed law. The Organization is not considered a private foundation.

NOTE 2 – Summary of significant accounting policies (continued)

Financial Statement Presentation

Shepherd's Gate is required to report information regarding its financial position and activities according to those assets without any designations or restrictions, and those with designations or restrictions. See Note 11 for information regarding assets with donor restrictions as of June 30, 2021.

In addition, Shepherd's Gate is required to present a statement of cash flows.

Cash and Cash Equivalents

For purposes of these statements, Shepherd's Gate considers all short-term investments with original maturities of three months or less to be cash equivalents.

Support, Revenue and Expenses

Contribution income is recorded when cash is received or when ownership of donated assets is transferred. Bequests are recorded as income at the time Shepherd’s Gate has an established right to the bequest and the proceeds are measurable. Shepherd’s Gate policy is that bequests are measurable when actual proceeds are received. Expenses are recorded when incurred in accordance with the accrual basis of accounting.

Donated Services

Donated services are recorded at fair value at the date of contribution only if the services (a) create or enhance non-financial assets, or (b) require specialized skills that are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation. During the year ended June 30, 2021, there were no contributed services meeting the requirements for recognition in the financial statements. However, a substantial number of volunteers have donated significant amounts of their time in Shepherd’s Gate program services and its fundraising efforts which have not been included in these financial statements.

Allocation of Expenses

The costs of providing the various and supporting activities of Shepherd’s Gate have been summarized on a functional basis in the statement of activity. Accordingly, certain costs have been allocated among the programs and supporting activities.
NOTE 2 – Summary of significant accounting policies (continued)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Reclassification

Certain amounts reported in the June 30, 2020 financial statements, have been reclassified to conform to the June 30, 2021 presentation.

Construction in process

Construction in process consists of Phase II of a construction project started during the fiscal year ended June 30, 2020 of an expansion of the Brentwood location. Phase I of this project was completed in May of 2021 and included over 900 square feet dedicated to an onsite learning and career center, after school classroom, a therapy meeting room, and an additional case management office. Phases II and III is anticipated in being completed over the next two years and will include an on-site playground, a large food pantry, and three transitional housing units, each having two bedrooms and 2 bathrooms. This expansion will also free space in the main house building increasing the capacity for additional women and children.

NOTE 4 – Retirement Plan

Shepherd’s Gate has established a retirement program available to all employees. The program provides for Shepherd’s Gate to match employees’ contributions up to 2.5% of salaries. Amounts contributed to the program immediately become the property of the employees. Contributions to the program were $31,475 for the year ended June 30, 2021.
NOTE 5 – Operating Leases

Lease expense for the year ended June 30, 2021 was $93,073.

This lease provides for the base rent plus common area maintenance costs. These common area maintenance costs will not increase by more than 3% per year. The lease also allows for two five-year renewal periods. As of June 30, 2021, the base lease cost was $9,477 per month. Subsequent to year-end, Shepherd’s Gate will exercise the first of two five-year options. However, in response to the Covid-19 pandemic, the landlord has reduced the monthly base rent to $3,679 per month through December 2021. This reduced rent is reflected in the future minimum lease payments below.

Shepherd’s Gate leases laundry equipment requiring payments of $308 per month ending August 2024.

Beginning July 2018 Shepherd’s Gate began leasing office equipment for $90 per month for 48 months.

In July 2018 Shepherd’s Gate entered into a five-year lease for office equipment for $970 per month.

Beginning in September of 2020, Shepherd’s Gate started a three-year lease for office equipment for $90 per month.

The organization has cash deposits which exceed FDIC limits. However, management believes that the concentration of credit risk is low due to the quality of the financial institutions holding these funds.

Note 15 – Newly Adopted Standard

In May 2014, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update 2014-09, Revenue from Contracts with Customers (ASU 2014-09). The ASU implements a single framework for revenue recognition ensuring that revenue is recognized in a manner that reflects the consideration to which the entity expects to be entitled for goods or services. Effective July 1, 2020, Shepherd's Gate adopted ASU 2014-09 on a modified retrospective basis. The adoption of ASU 2014-09, as amended, did not have a material impact on the recognition of revenue from contracts with customers.
Note 16 – Novel Coronavirus (Covid 19)

In March 2020, the World Health Organization declared the novel coronavirus (Covid 19) a pandemic. There have been mandates from federal, state, and local authorities requiring temporary closure of various schools, businesses and other facilities and organizations. While there were no significant program closures or service disruptions during the year ended June 30, 2021, Shepherd’s Gate did implement significant changes in program operations related to Covid 19 protocols as well as increased costs in operating during this pandemic. Since March of 2020, Shepherd’s Gate also experienced an overall increase in philanthropic activity and received supplemental funding from the Payroll Protection Program. While these impacts are expected to be temporary, the continued spread of Covid-19 and its variants, and its impact on social interaction, travel, economic and financial markets may adversely affect Shepherd’s Gate’s operations and financial condition.
